

Social Story

I will not call out.

I will not call out.

I will not call out in class. When I call out, I interrupt my teacher and classmates. I keep my friends from learning.

During class when I want to talk, I need to raise my hand. I will wait for my teacher to call on me. Then I can speak.

When my teacher calls on me, it is my turn to speak. I can ask my question or share my answer.

Sometimes it is not a good time to talk. My teacher will not call on me. I can write my idea or question instead or wait until it is okay to talk.

When I wait to speak instead of calling out, I am polite. This makes my teacher and classmates happy.
