

Year 5 Class Prayer – 15th September 2023

Dear God,

Please can you help all the people in Morocco who have been injured or have lost their homes because of the earthquake.

We ask you to keep the injured people well and to look after the people who have died. Thank you for the rescuers who are helping people.

Please help us to look after these people who need our help because they are part of our world holy family.

Amen.
