

Year 6 prayer

Your kingdom is forever in our hearts. It is a place of justice and peace. In your Kingdom, may we always love as we wish to be loved. May we help without seeking reward and support those who need it.

Lord, help us all to use our gifts to help those who need it. If someone is worried, may we listen. If someone is scared, may we comfort. If someone is confused, may we teach them.

Sometimes we get wrapped up in our own interests. This is not the way to happiness. Our mission is to spread the word of God. Help us to dedicate our lives to you and live our life following your example.

Lord, help us to show compassion.
