

Homework Project

Due: Friday 27th June 2025

Our school is named after the Sacred heart. This year marks the 350th anniversary of this feast. Your homework is to think about the Sacred Heart and represent it in your own way. Some ideas to choose from are

- Produce a poster or PowerPoint that explains the Sacred Heart and its symbolism.
- Make a booklet full of information about the Sacred Heart and its history.
- Produce your own version of the Sacred Heart. It can be a model, cake or piece of interesting artwork. Try to be original.
