Knowing Where Your Food Comes From

We take our responsibility of catering for today's children and young adults seriously. All of our dishes are prepared every day using quality, fresh and seasonal ingredients that are responsibly sourced. Our supply chain is traceable, so we can ensure the provenance of all produce.

Our dishes are created and served by experienced and enthusiastic staff. As well as ensuring the food on the plate is healthy, we want our customers to understand the importance of eating the right foods and help them with their food and nutrition journey.

FUN THEME DAYS

OUR FANTASTIC FOOD

We don't only create delicious favourite dishes from home and around the world, we make it fun!

We aim to make lunchtime the best time of the day and it definitely is when we hold one of our regular theme days! Planned to link in to the school calendar or seasonal healthy food initiatives, our staff may dress up and decorate the counter to serve something deliciously different on the menu - it's the stuff of great school food memories!

NOT JUST GREAT TASTING FOOD!

The food children eat at school plays an important role in their wellbeing and eating a well-balanced diet will not only maintain and improve their health but will also set them on the right track for later life. We understand this and that's why we are passionate about serving fresh, high quality and locally sourced food that is cooked in our kitchen.

SPECIAL DIETS AND FOOD ALLERGENS

Don't think that your child can't enjoy our great food if they have a special diet - this is an important part of our catering service. We can provide food if they have an intolerance, an allergy, or require an alternative choice due to religious beliefs.

Aspens already caters for lots of children with allergies, we have robust food safety procedures and our staff has regular allergen and food safety training. It is still important that parents talk to us so we can work together and continue to provide meals that are safe for their child to eat.

For more information and to check if your child can get free school meals, even after year 2, please visit this website - www.gov.uk/apply-free-school-meals or scan the QR code on the left.

If eligible, not only will you be saving money, but you will also be giving your child a nutritionally balanced meal to fuel their bodies for the rest of their learning day.
