Project due 28 th March 2025	<p>Your homework is to create your own version of the stations of the cross. Try to be creative but think about what each station is about. Try to add a short prayer or reflections. You can choose how to represent it. You can draw it, model it or create a version using the computer. You could make 3D versions or even an 'Advent calendar' style poster with flaps to lift. I look forward to seeing your finished work.
