

# Prayer for Hope

Year 4

Caring God

There are many people who have hopes , please listen to them.

Remember those who sleep in the cold and are hungry, we hope they find a warm place.

Help our friends who are sick, we hope they get better soon. May we remember their families who are worried and need faith that they will get stronger.

May people who struggle, be able to see your path and find their way to you. We hope their lives become easier.

May those that are not noticed, be seen.

We hope those who worry have their minds eased.

We all have hopes and wishes, may we think about the hopes of others and not just our own.

May we always look after each other to help make our world a better place for everyone.

Amen
