Dear Parents and Carers,

Supporting Our School – Trips & Building Fund Contributions

On behalf of the School Governors, we would like to extend our sincere gratitude for your continued support of Sacred Heart Primary School. Your contributions—both in time and financial assistance—play a crucial role in providing enriching experiences for our pupils, including school trips and extracurricular activities such as swimming.

School Trips and Activities

We kindly remind parents that the wonderful trips and activities we offer are only possible due to financial contributions from families, along with the dedication of our teachers and staff. Recently, we have noticed a decline in the number of parents contributing their child’s share of trip costs. These experiences are essential for children’s learning and development, and while the school is committed to ensuring no child misses out, we often have to find additional funds that simply do not exist. We work hard to keep these activities as cost-effective as possible, making them accessible to all families, and we kindly ask for your continued support to ensure these opportunities remain available.

Building Fund Contributions

In addition to trips, we also need your help with our **Building Fund**, which is vital for maintaining and improving our school environment. We are currently applying for funding to replace the hall windows and carry out essential roof repairs. If successful, we will need to contribute over £20,000 towards these projects. Without parental support, improvements like these would not be possible.

How You Can Help

To continue supporting school trips and the Building Fund, we kindly ask you to:

- **Check the Arbor app** regularly for activities requiring parent contributions.
- **Set up a donation** to the Building Fund—any amount is greatly appreciated.
- **Stay engaged** by reading school emails and updates to see the fantastic work our staff do to provide the best education and experiences for all pupils.

We truly appreciate your support and partnership in making Sacred Heart Primary School the best it can be for our children. Thank you for your generosity and commitment.

With warmest regards,

The School Governors
