GROWTH & INNOVATION

We are delighted to say that OPAL has been going from strength to strength. With the introduction of a new system for our loose parts, construction area and dressing up now being used in the sunshine it is a hive of activity.

The new cardboard play has been a real hit with children drawing, building and creating.

The outdoor library has been a real success with children enjoying many books and sharing stories together. The introduction of the mud kitchen and boat were very exciting and it is so lovely to see imaginations come alive!

**Future projects - sandpit
and zip wire**
