SMARTPHONE FREE SCHOOL

A reminder that we will no longer allow pupils in Year 6 to bring a smartphone into school. If you still want your child to have a phone, we encourage a brick' phone', which is handed into to the class teacher at the beginning of the day and returned at the end of the day.

Please use the link to find alternatives to a smartphone.

A reminder that we do not allow Smartwatches in school which are connected to the internet.

School Website

We are in the process of upgrading and updating our school website to be in line with schools within the St. Francis of Assisi Academy Trust.

There may well be teething issues as we transfer across to the new site.

If there is anything you need to find out but cannot access the website, please contact the school directly via email or telephone.
