SPORTS

.BASKETBALL IS A SPORT WE DO AT SACRED HEART THIS IS WHAT WE'VE LEARNT SO FAR:

.Don't double dribble is when you dribble and stop and hold the ball and then dribble again.

.Basket ball is a sport where you can go up REALLY close to the other player without being called for obstruction

also we have a netball team, and have also done some lessons on them as well!

NETBALL

NETBALL IS A CLUB AFTER SCHOOL WHERE WE LEARN TO PLAY

.DON'T run with the ball if you do you will be called for foot work

.If you dribble with the ball that is called replay
If you throw the ball up and catch again that's foot work

BUDDY TIME

Buddy time is a lovely time we have between the years of 6,5,4,2,1 and reception.

With our buddies we do activities such as going outside, drawing, reading to each other and a lot more!

WE LOVE PGL

Trips is something we love doing here at Sacred Heart . We go on fun trips like going to the Indian temple in year 5 and also in year 4 we stayed at a place called hilltop in Norfolk for a few nights. Since we have grew up in sacred heart we have experienced a lot of fun places and are ready for more!

JOB RULES

In year 6 we have lots of stuff we have to take on like job roles! Job roles are fun responsibilities we do. 1 of the jobs are playground-set up at 12:05 until lunch starts and after lunch they tidy up for about 10 minutes. Another one is class which you go in the hall at 12 and help the younger ones with there water and food. The other two are environment and assembly which you tidy up the class for environment and set benches up is assembly.
