

This newsletter will inform you of what will happen in year 6.

SATS

Our sats is coming up and some of us are kind of scared about it but Ms Matteoni says after every lesson she encourages that at the end we will finish sats with ease. After sats we get to go to PGL like most schools in the UK and additionally we get to have a massive water-fight to celebrate our achievements.

Prefects

We all have prefect roles, and we have four groups doing one prefect job. The jobs are Environment, Playground, class and assembly. And if we get over 950 pounds, we will get a prize.

PGL

We have pgl coming up and we are all so excited to go. We hope to do some fun activities there and have a great time. We are happy to live in our lodges. Our activities we can guess that they will be enjoyable. For example, high ropes, ziplines, archery, canoeing, raft building, giant swings, and bushcraft, alongside evening entertainment like discos and campfires are the best

LEAVERS

We are leaving sacred heart very soon and we are going to get a hoodie that has leavers on it plus all our signatures. Our Leavers" primarily refers to students finishing a school year or graduating, often marked by celebratory events like Leavers' Day, yearbooks, and custom apparel (hoodies/t-shirts). The term also describes young people leaving the care system (care leavers) or, in Australia, a major, supervised end-of-year celebration for school-leavers.

LEAVERS
