

Dear parents and carers

6th February 2026

This week we have been discussing racial justice following on from Racial Justice Sunday. The children went into their houses and took part in an assembly planned and delivered by our Year 6 House Captains. They then completed a small reflection on the topic. It was heart-warming to see all the year groups working together and the House Captains did an amazing job delivering the assembly. Well done all!

Later in the week, we had a 'Young Voices' meeting led by Miss Jepson. Young Voices is a collection of all the pupil leadership groups: school council, Eco club, Chaplaincy, House Captains and Prefects. Each group sent representatives and they discussed school-wide issues. It helps the children to understand the different roles and responsibilities in the school as well as developing leadership skills. On the evidence of their discussion, the future is in safe hands.

I hope you all have a great weekend.

Have a fantastic weekend

♥ Friends of Sacred Heart (FOSH) ♥

The £20.26 fundraiser was very successful, and we raised **£450** - 21 children have won a ticket to Inflatacity City which is fantastic. The cake sale last week was really well received and our quiz night on 27th February is now sold out and looks to be a great night.

Thank you for your continued support.

FOSH is looking for parents and carers to help support our school community.

You can help by:

- ✦ Assisting/Running an event
- ✦ Putting forward ideas
- ✦ Shopping ahead of an event (funds will be reimbursed)
- ✦ Helping behind the scenes

No experience needed just a little of your time.

We currently have great support from our parents but would love to share the load wider across our school community - if you think you can help please email warefosh@gmail.com.
