

Dear Parents and Carers,

13th March 2026

We started our week with a thought provoking assembly was led by a representative from the 'Mary's Meals' charity. This fantastic charity supports children all over the world and provides meals for over 3 million children who would otherwise not eat anything that day. This is our chosen charity for key stage 1 and the trust. Mrs Dowd and the children have come up with some excellent fund-raising ideas. We are always conscious of the demands on our parents but hopefully you will be able to fully support this extremely worthwhile cause.

On Wednesday, our chaplaincy team attended mass with other schools from the Trust as part of the 'Year of St Francis' celebrations. It was a lovely spiritual event and all the children represented our school impeccably (as always).

Throughout the week, we have also been celebrating Science week. Hopefully the children have told you all about their learning. We definitely have some inquisitive minds. Designing their own experiments, finding solutions to their own questions, making their own sherbet- a great week has been had.

Thank you, as always for the way you support our school and I wish you all a great weekend.

Many thanks
Mr McIntyre
Acting Head of School

GOLD BOOK

Reception - Rosie

Year 1 - Tori

Year 2 - Wren

Year 3 - Suzi

Year 4 - Fearne

Year 5 - Luke

Year 6 - Jessica

This can now be found on school website. [GOLD BOOK](#)

Year 4 Residential Trip

The parent talk for the year 4 residential trip will be on:

**Thursday 19th March @
3:30pm**

Forms and information packs will given out at the meeting.

KS1 and Trust Charity Day – Mary's Meals Charity Thursday 26th March

Mary's Meals is a global charity that provides life-changing school meals to children living in some of the world's poorest communities. By giving children a nutritious meal each school day, Mary's Meals helps bring them into the classroom where they can learn, grow and have brighter futures. This simple idea gives children the energy to concentrate and participate in school and helps families who face extreme hunger and poverty.

To decide how we would fundraise, we held a whole-school vote and the children chose a whole-school pancake race — which we are really excited about! The event will be run as a House competition, and we hope all our pupils will take part. The children can also come to school in their school colours and throughout the day will take part in Easter activities.

If every child gives just £3, then each class will pay for three children to be fed for a whole year!
