# SACRED HEART BULLETIN

## WEEKLY UPDATE

Dear Parents,

As we begin the month of May, also known as 'The Month of Our Lady', we particularly focus on the significance of the Rosary. We look forward to our Crowning of Mary procession next week, plant/shrub donations would be gratefully received. A huge thank you to Mr Guiver for his expert gardening skills and Mr Pavey for renovating the prayer benches, transforming our wonderful Prayer Garden.

The 8<sup>th</sup> May commemorates Sir David Attenborough's 100<sup>th</sup> birthday and his contribution to exploration and discovery of our planet earth and the wonders of nature. We have arranged virtual reality science animal workshops for every class on Monday 18<sup>th</sup> May, a huge thank you to FOSH for funding this. FOSH are also organising an exciting related activity, further details to follow.

Have a relaxing Bank Holiday.

Best wishes, Mrs Keating
