SACRED HEART BULLETIN

WEEKLY UPDATE

Dear Parents,

This week, we celebrated our special 'Crowning of Mary' service with Fr Charles. Thank you to all parents who provided bedding plants for this event, it was much appreciated. We intend to plant the remaining flower beds in the prayer garden and outside the front of the school. If any parents enjoy gardening and have any spare time to assist with this, we would be very grateful - please contact the school office.

Years 5 and 6 thoroughly enjoyed the KNex Challenges yesterday, thank you to Mrs Jinah, Mrs Everitt and Mr Jones.

As mentioned last week, today commemorates Sir David Attenborough's 100th birthday and his contribution to exploration and discovery of our planet earth and the wonders of nature. We have arranged virtual reality science animal workshops for every class on Monday 18th May, a huge thank you to FOSH for funding this.

This weekend, we have 12 children making their First Holy Communion, an important milestone in our Catholic journey. We look forward to celebrating this special sacrament.

Have a relaxing weekend.
Best wishes, Mrs Keating

FOSH DONATIONS

Every child deserves the best opportunities to learn, explore, and grow. That's why FOSH is currently raising funds to help provide new iPads for the school, giving children access to valuable tools that support their learning and development every day.

While we regularly hold fundraising events, donations are always welcome and truly appreciated. No matter the size, every contribution helps bring us closer to giving the children the resources they need to thrive.

If you would like to support us, you can donate here:
