

Sacred Heart Catholic Primary School

CURRICULUM MAP AUTUMN TERM YEAR 5

MATHEMATICAL	RELIGIOUS EDUCATION		ENGLISH AND READING
We continue to use the WHITE ROSE scheme of work. <u>Place value</u> We will be working with numbers up to 1,000,000 and practise using powers of 10 as well as adding and subtracting 1, 10, 100, 1000, 10,000, and 100,000 <u>Addition and Subtraction</u> We will be adding and subtracting numbers with more than 4 digits, rounding and completing multi-step problems. <u>Multiplication and Division</u> We will continue to work on times tables. We will learn about common multiples, factors, prime and composite numbers and square numbers. We will also multiply and divide by 10, 100 and 1000. <u>Fractions</u> Lots of work on equivalent, mixed-number and improper fractions as well as ordering, comparing, adding and subtracting them.	1. Creation and Covenant - This topic outlines that Catholics believe that Moses was one of the most important people in the Old Testament and God chose him to lead Israel out of slavery in Egypt. 2. Prophecy and Promise - This topic will study that Catholics believe that David was one of the great kings anointed and chosen in the Old Testament.		We will begin this term by writing a non-chronological report based on The World of the Unknown: Monsters by Carey Miller and The Book of Mythical Beasts and Magical Creatures by Stephen Krensky. We will also be writing a narrative extract based on Cloud Tea Monkeys by Mal Peet and Elspeth Graham.
	SCIENCE	HUMANITIES	After half term, we will be writing Cinquain poems based on Where the Poppies now Grow and In Flanders Field and a narrative using The Promise by Nicola Davies.
	Children will start by revising their knowledge of forces and gravity. They will look at the work of various scientists such as Newton and experiment with gears and pulleys. Next we will study the movement of the earth and other planets around the sun as well as night and day and seasons.	We will start by studying the Ancient Egyptian civilisation, its beliefs, societal structure and legacy.  We will be learning how Rainforests are structured, how they are used, and what threats they face. We will be utilising key geographical skills and working as geographers to examine this topic.	
COMPUTING	THE ARTS AND DT	WELL BEING	Our grammar and punctuation focuses will be about multi-clause sentences and relevant punctuation. Our reciprocal reading book this term will be Journey to the River Sea by Eva Ibbotson.  Our spellings will be securing the Year 4 key words, before moving onto the Year 5/6 list.
Our first topic is 'We are game developers' where the children will use various programs to create their own games. After the half term break, we will become 'cryptographers' and learn about coding and passwords. Internet Safety will continue to be a priority.	In music, our topic is composition notation. Children learn to identify the pitch and rhythm of written notes and then experiment with notating their compositions in different ways. They will look at music from South and West Africa before moving onto the Blues.	PE this half term will be basketball and tag rugby. Next half term it will be football and dance. In PHSE, we will be looking at being me in my world over the first half term, and looking at celebrating differences in the second. In SRE (Live life to the full), we will look at Faith and how God calls us.	SPANISH
			We will be describing me and others and saying what I and others have. 

Live, Love and Learn Joyfully in the Family of Christ
