

Autumn term homework projects

1. RE In RE, we have been learning about people who made covenants with God as well as the commandments and what sin means. Choose someone who made a covenant with God (e.g. Moses, Noah, Abraham) and tell their story in any way you want. You must include how they felt, blessings they were given from God and difficulties they faced. What relevance does their covenant have to us today?	Due 23rd October 2026
3. Science Solar System Explorer In our Science lessons we have been learning about the Solar System. Use what we have learnt in our lessons, and your own research, to: Create a guide to the Solar System This could be a physical model (I would love to see lots of these!), a written leaflet, an electronic guide such as a video or PowerPoint, or something else creative.	Due 11th December 2026
